Wineries

The Petaluma Gap currently has several locations to taste fine regional wines. These include winery tasting rooms and wine shops and/or wine bars within the downtown area of Petaluma. In addition, many of our Members are small family-owned wine brands which do not have tasting rooms, but their wines can be found in the local wine shops. The Petaluma Gap Member growers are proud to their sell high quality grapes to some of the most famous wineries in Sonoma County.

PETALUMA GAP MEMBER WINERY TASTING ROOMS

Azari Vineyards | Cline Cellars | Dutton-Goldfield Winery | Enriquez Estate Wines | Keller Estate
